Guaranty Trust Bank (Ghana) Limited sponsors the Asantehene Gold Cup 2008

Guaranty Trust Bank (Ghana) Limited is proud to be associated with the 51st Asantehene Gold Cup 2008 as one of the tournaments major sponsors. The Golf Tournament which has been in existence for over half a century took place at the Royal Golf Club, Kumasi from the 30th of May 2008 to the 1st of June 2008.

"It was our pleasure to rally behind the tournament, which was aimed at raising funds for the refurbishment of the Royal Golf Club and Course, as the bank is exploring ways to increase its support in the communities in which we operate", stated Yahaya Atchulo, the Kumasi Branch Manager.

Recently, the bank opened a branch in the hub of the business district in Kumasi increasing the bank's branch network. The town with its broad economic base and robust population growth promises an attractive market to gain business from new and existing clients. According to Yahaya Atchulo, the branch aims to play a key role in the economic development of the community and be a catalyst for change.

This full service branch is offering banking services from Mondays through to Fridays and as part of the business strategy it would also be offering more convenient banking hours - buttressing our quest to provide 'Orange Convenience' i.e. Banking Anywhere (Worldwide), Anytime (24/7).

At the golf tournament, the general public had the opportunity to interact with the affable staff of the Kumasi branch and learn about its wide array of products and services, tailor made to serve the Kumasi community.

Guaranty Trust Bank plc, the parent company of Guaranty Trust Bank (Ghana) Limited, is currently the only Nigerian bank rated AA- by Fitch, a leading international rating agency. AA- is the highest rating assigned to any bank in Nigeria by Fitch. Recently, the bank became the first Nigerian company and first African bank to be listed on the main market of the London Stock Exchange.

In addition to these feats, Guaranty Trust Bank in the month of March 2008 received the license from the FSA (Financial Services Authority) to become the first Nigerian bank of its generation to commence operations as a full fledged commercial bank in the UK.
